

## HOW FAR I'LL GO (from Moana)

**GIRLS:** I've been staring at the edge of the water  
'Long as I can remember, never really knowing why  
I wish I could be the perfect daughter  
But I come back to the water, no matter how hard I try

**(BOYS: oooooooooo)**

**GIRLS:** Every turn I take, every trail I track  
Every path I make, every road leads back  
To the place I know, where I can not go, where I long to be

**ALL:** See the line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know, if I go there's just no telling how far I'll go

**GIRLS:** I know everybody on this island, seems so happy on this island  
Everything is by design  
I know everybody on this island has a role on this island  
So maybe I can roll with mine

**(BOYS: oooooooooo)**

**GIRLS:** I can lead with pride, I can make us strong  
I'll be satisfied if I play along  
But the voice inside sings a different song What is wrong with me?

**ALL:** See the light as it shines on the sea? It's blinding  
But no one knows, how deep it goes  
And it seems like it's calling out to me, so come find me  
And let me know, what's beyond that line, will I cross that line?

The line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know, how far I'll go

# THE GREATEST SHOW

**Woah**

**Woah**

**Woah**

**Woah**

**Woah**

Ladies and gents, this is the moment you've waited for (woah)  
Been searching in the dark, your sweat soaking through the floor (woah)  
And buried in your bones there's an ache that you can't ignore  
Taking your breath, stealing your mind And all that was real is left behind

Don't fight it, it's coming for you, running at ya  
Your fever dream, can't you see it getting closer

It's only this moment, don't care what comes after  
Just surrender 'cause you feel the feeling taking over

**(OH)** It's fire, it's freedom, it's flooding open

**(OH)** It's a preacher in the pulpit and you'll find devotion

**(OH)** There's something breaking at the brick of every wall it's holding all that you know,

**So tell me do you wanna go?**

## **CHORUS:**

**Where it's covered in all the colored lights  
Impossible comes true, it's taking over you  
We light it up, we won't come down  
Watching it come true, it's taking over you**

**Where the runaways are running the night  
Oh, this is the greatest show!  
And the sun can't stop us now  
Oh, this is the greatest show!**

**Woah** Colossal we come these renegades in the ring

**Woah** where the lost get found and we crown 'em the circus kings

Don't fight it, it's coming for you, running at ya  
It's only this moment, don't care what comes after  
It's blinding, outshining anything that you know  
Just surrender 'cause you're comin' and you wanna go

## **CHORUS:**

**Where it's covered in all the colored lights  
Impossible comes true, intoxicatin' you  
We light it up, we won't come down  
Watching it come true, it's taking over you**

**Where the runaways are running the night  
Oh, this is the greatest show!  
And the sun can't stop us now  
Oh, this is the greatest show!**

**HEY HEY** It's everything you ever want  
**HEY HEY** It's everything you ever need  
**HEY HEY** And it's here right in front of you  
This is where you wanna be

**HEY HEY** It's everything you ever want  
**HEY HEY** It's everything you ever need  
**HEY HEY** And it's here right in front of you  
This is where you wanna be **HEY HEY** This is where you wanna be

**CHORUS:**

**Where it's covered in all the colored lights  
Impossible comes true, it's takin' over you  
We light it up, we won't come down  
Watching it come true, it's taking over you**

**Where the runaways are running the night  
Oh, this is the greatest show!  
And the sun can't stop us now  
Oh, this is the greatest show!**

**HEY HEY this is the greatest, this is the greatest, this is the greatest show!**

# Home

by Phillip Phillips

Hold on, to me as we go  
As we roll down this unfamiliar road  
And although this wave is stringing us along  
Just know you're not alone  
'Cause I'm going to make this place your home

Settle down, it'll all be clear  
Don't pay no mind to the demons  
They fill you with fear  
Trouble it might drag you down  
If you get lost, you can always be found  
Just know you're not alone  
'Cause I'm going to make this place your home

Oooooo, oooooooo, oooooooo  
Aaaaah, aaaaaaah, aaaaaaaaah

Settle down, it'll all be clear  
Don't pay no mind to the demons  
They fill you with fear  
The trouble it might drag you down  
If you get lost, you can always be found  
Just know you're not alone  
'Cause I'm going to make this place your home

Aaaaah, aaaaaaah, aaaaaaaaah  
Aaaaah, aaaaaaah, aaaaaaaaah

# Fireflies

by Owl City

You would not believe your eyes If ten million fireflies  
Lit up the world as I fell asleep 'Cause they fill the open air  
And leave teardrops everywhere  
You'd think me rude but I would just stand and stare

## **CHORUS:**

**I'd like to make myself believe that planet earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems**

'Cause I'd get a thousand hugs From ten thousand lightning bugs  
As they tried to teach me how to dance  
A foxtrot above my head A sock hop beneath my bed  
A disco ball is just hanging by a thread

## **CHORUS:**

**I'd like to make myself believe that planet earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems --when I fall asleep**

To ten million fireflies I'm weird cause I hate goodbyes  
I got misty eyes as they said farewell  
But I'll know where several are If my dreams get real bizarre  
'Cause I saved a few and I keep them in a jar

## **CHORUS:**

**I'd like to make myself believe that planet earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
'Cause everything is never as it seems (when I fall asleep)  
I'd like to make myself believe that planet earth turns slowly  
It's hard to say that I'd rather stay awake when I'm asleep  
Because my dreams are bursting at the seams**

## WE WON'T STOP DREAMING --Pink Zebra feat. Benji Jackson

Well here we are living in the moment

Well here we are dreaming in the open

I look around isn't this a new day

Make a move doing things a new way           A new way

**CHORUS: 'Cause this is our world   And this is our time**

**These are our plans   We're gonna let 'em shine**

**This is our place   In the human race**

**And we won't stop dreaming   No we won't stop dreaming**

Look ahead we can see forever (forever)

You and me doing it together (together)

Light it up we can be a million stars

Look at us don't you see we've come so far   Yeah we've come so far

**CHORUS: 'Cause this is our world   And this is our time**

**These are our plans   We're gonna let 'em shine**

**This is our place   In the human race**

**And we won't stop dreaming   No we won't stop dreaming**

**BRIDGE:**

Standing at the crossroads, feeling how the wind blows  
(Ooo)

We can soar above the clouds  
(Ooo)

Every moment is a heartbeat, Every breath feeling so sweet  
(Ooo)

Who can say what happens now?

**CHORUS:** ‘Cause this is our world And this is our time

These are our plans We're gonna let ‘em shine

This is our place In the human race

And we won't stop dreaming No we won't stop dreaming

**CHORUS:**

‘Cause this is our world And this is our time  
(Our world-----Our time-----)

These are our plans We're gonna let ‘em shine  
(Our plans----- Let ‘em shine-----)

This is our place In the human race  
(Our place-----Human race-----)

And we won't stop dreaming No we won't stop dreaming

We won't stop dreaming
